## **Al Ain University promotes communication with students in “Localization 360”**

Al Ain University represented by the Students Recruitment Unit, participated in the Student Forum (Localization 360) organized by the Ministry of Human Resources & Emiratization under the auspices of the Education and Human Resources Council, and in cooperation with the Ministry of Education, at Abu Dhabi National Exhibition Center.

The AAU’s booths received a great number of school students and visitors who had a look on the colleges and specializations comprising of undergraduate and graduate programs, which are all accredited by the Ministry of Education – Higher Education Affairs in the UAE, and also obtaining International Accreditation, in addition to the scholarships, activities and facilities provided to the students.

The participation of Al Ain University in this exhibition came from its commitment to keep abreast of developments in education and interacting with various academic institutions and to

introduce students to the labor market requirements to choose the appropriate university specialization.
