Sustainable tree planting event on the occasion of Arab Environment Day

In conjunction with the Year of Sustainability and in alignment with the goals of the COP28 in the United Arab Emirates, the College of Education, Humanities, and Social Sciences, along with the Deanship of Student Affairs (Al Ain campus), organized a sustainable tree planting event. During this event, the AAU President, Prof. Ghaleb Al-Refae, the Vice President for Development and Follow-Up, Prof. Ibtehal Abu Rezeq, along with several professors and students, planted Ghaf trees in the outdoor areas of the university. Prof. Al-Refae emphasized the importance of promoting planting and enhancing environmental values for a sustainable and environmentally friendly future.
