Founded as one of three colleges in 2005, the College of Education, Humanities and Social Sciences at Al Ain University provides high-quality programs of teacher education. I invite you to learn about the college via our website and the AAU various handbooks. Reading our vision and mission statements would help in understanding the dedication of our faculty, staff and student teachers to the improvement of the lives of people. As you explore our programs, you will recognize a network of individuals with common goals of quality in teaching, research, and community engagement involving a wide range of educational issues. We believe every individual is unique and we foresee that research, as well as collaboration with the community professionals, would lead to knowledge, skills, and dispositions which could improve lives.

As diverse faculty members, we strive to serve the needs of the diverse student population and convey the values along with knowledge to provide outstanding educational experiences. We are devoted to training our student teachers to become effective educational leaders in addition to in-service teachers who can make a difference in the lives of their students.
