About the College > Vision and Mission

Vision

The College of Education, Humanities and Social Sciences at Al Ain University of Science and Technology (AAU) aspires to be a pioneer in preparing teachers, professional practitioners, leaders, and researchers in the areas of education, humanities and social sciences who are committed to continuously develop their abilities and skills in a rapidly changing world seeking to provide distinctive educational, humanitarian and social services of high quality that contribute to the enrichment of UAE society, the Gulf and the Arab world.

Mission

The Mission of the College of Education, Humanities and Social Sciences is to prepare professional teachers, professional practitioners, leaders, and researchers in educational, humanitarian and social sciences for the development of careers in these fields through active learning, scientific research, technology, field experiences and strategic partnerships with relevant institutions at local, regional and international levels by means of academic and administrative staff who are qualified in accordance with international standards.
